VICE COMMODORE'S MESSAGE

Welcome to the DBCYA Wet Season Series for 2023-2024. I'm looking forward to seeing a good turn out of sailors and yachts this year. I would like to start with a big thank you to all the sponsors for supporting our series this year, you are a big part of keeping the racing happening. It's great to be able to hand out prize money and vouchers courtesy of our sponsors to the winners and place getters, and I hope many of you get to share in these throughout the series. You'll find a list of sponsors on pages 6 and 7, please try to support them by using their services when you can. Come on down to Dinah for sign-on from 1800 the Friday before each race. This is a great chance to mingle with the other skippers and your race day

volunteers, and also catch up with people who would love to find a spot as crew. Plus there's the added bonus of a free cold beverage and live music for those who can make it to the club.

I'd like to thank the many volunteers who cover the important jobs like manning the start trailer, placing the start pin, setting the courses, taking photos and video, processing results and doing all the other things that help make Dinah Beach such a great yacht club.

Wishing you all fair winds and sensational sailing.

NOTICE OF RACE

1. RULES

- 1.1 The Dinah Beach Cruising Yacht Association Wet Season Race Series (WSRS) will be governed by the rules, as defined in
 1. Simplified Racing Rules (pg 16)
 2. International Regulations for Preventing Collisions at Sea (this includes by-laws of Darwin Harbour)
- 1.2 PORT BY-LAW - Vessels under 20m must give way to all commercial vessels within port limits.

2. ELIGIBILITY

- 2.1 The WSRS is open to all sailing boats that comply with all relevant Commonwealth and NT Maritime Acts and Regulations. Random checks may be carried out.
- 2.2 All yachts must have a working VHF radio (race channel: VHF 73). All yachts must call the Officer of the Day (OOD) at least 20 minutes prior to the first start and advise the number of persons on board (POB).
- 2.3 The skipper of a participating yacht must be a Full Member of DBCYA. A yacht whose skipper is not a financial member will be awarded a DSQ (disqualified).
- 2.4 Prior to race participation all crew

are required to obtain DBCYA sail crew membership (covers whole season) or obtain a one day Sailpass for each race (refer pg 30).

- 2.5 Crew attending the DBCYA premises more than three times per year are required to obtain DBCYA membership.
- 2.6 Crew means all persons onboard a yacht during a race.

3. ENTRY

- 3.1 Skippers must register for each race via one of these options:
 - a) at the official race briefing 1800hrs each Friday prior to race
 - b) at the clubhouse bar 1300hrs - 2100hrs Saturday prior to race
 - c) online via Revsport by 2100hrs Saturday prior to race (link via www.dbcya.com.au)
- 3.2 The entry fee is \$20 per race, per vessel.
- 3.3 The Race Committee reserves the right to reject any entry at any time up to the Starting signal.

4. THE START

- 4.1 DBCYA reserves the right to alter the start time and date of any race as it may deem appropriate.
- 4.2 Each race (except the Australia Day Stern Chaser) shall be started by using the below Signals Chart. Times shall be taken from the visual signals; the absence of a sound signal shall be disregarded.

4.3 The warning signal for each succeeding division shall be made with the starting signal of the preceding division.

Minutes before start signal	Visual signal	Sound signal	Meaning
5	Division flag - up	One	Warning signal
4	P flag - up	One	Preparatory signal
1	P flag - down	One long	One minute
0	Division flag - down	One	Start

- 4.4 If using an engine to approach the Start Line after the 5 minute warning signal, vessels **MUST** complete a 360° turn after stopping the engine, **BEFORE** proceeding to sail across Start Line at the beginning of the race. This action is to be relayed to the OOD at first opportunity by radio on VHF 73.
 - 4.5 Vessels whose warning signal has not been made shall avoid the starting area during the starting sequence for other divisions.
- 5. RECALLS**
- 5.1 Any vessel crossing the start line prematurely may be called on VHF Channel 73. Regardless, that vessel must return to the start line and re-start correctly without causing interference to other competitors.
- 6. THE COURSE**
- 6.1 The start of the race shall be in the vicinity of Stokes Hill Wharf.
 - 6.2 The course will be available at www.dbcya.com.au prior and at sign-on briefing the Friday prior to each race.
- 7. DISCONTINUANCE OF RACE**
- 7.1 Retiring - All vessels who retire from the race **MUST** notify the OOD at the earliest opportunity.
 - 7.2 Engine Use - Should any vessel have to use its motor for propulsion during a race for any reason the skipper will advise the OOD at the earliest opportunity, by VHF or mobile phone, why the motor was used and for how long. The Committee will determine if any time penalty is applicable prior to the results being posted.
- 8. RESULTS**
- 8.1 The minimum number of starters in any division shall be four to attract the total prize purse for that division. For each number less than four a \$25 reduction will occur.
 - 8.2 A minimum of two vessels are needed for a result or the race will be considered abandoned and will not count in the series scores.
- 9. DISCLAIMER**
- 9.1 Competitors participate in the WSRS entirely at their own risk. By entering the WSRS, skippers confirm to the Race Committee that they personally accept responsibility for their vessel and all persons aboard for the duration for the event.
 - 9.2 The Skipper must complete a Cat. 5 Vessel Equipment Safety Audit form (from dbcya.com.au/racing or at sign-on) and return prior to participating in a 2nd race.
 - 9.3 The Skipper must ensure all crew have personal accident insurance cover prior to race participation (refer pg 30).
 - 9.4 Skippers & crew are required to sign an Indemnity Form prior to WSRS participation. NOTE: One Indemnity covers the full series.
 - 9.5 Failure to complete 9.2, 9.3 and 9.4 above will result in the vessel being declared DSQ and the vessel may not participate.
 - 9.6 It is the skipper's sole responsibility to decide whether to enter, start or retire from the race. DBCYA will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the event.

SIMPLIFIED RACING RULES

- 1. PORT/STARBOARD:** When boats on opposite tacks meet, the port tack boat must keep clear. The starboard skipper should assert his right-of-way by calling “starboard”.

The tack is named for the windward side of the boat, ie the side opposite the boom. If, as you face forward, the right side of the boat is windward, you are on starboard tack. Otherwise you are on port.

Diagram: right-of-way boat is labelled starboard.

- 2. WINDWARD/LEEWARD:** When boats are on the same tack, two rules apply:

- * windward boat keep clear
- * overtaking boat keep clear

This rule also covers upwind / downwind boats meeting.

- 3. CHANGING TACK:** While you are tacking, you must keep clear of other boats that are not doing so. If you acquire the right-of-way over a boat nearby with a tack or gibe, you must give that boat reasonable room and time to react.

You cannot tack to force a nearby boat to tack because you have no rights until you have completed the tack.

- 4. AVOIDING COLLISIONS:** Even when you have the right of way, you must try hard to avoid any collision to avoid personal injury and/or damage to both vessels.

- 5. BUOY ROOM:** When you round or pass a mark other than a starting mark, you must give room to round that mark to any boat that has an inside overlap on you as you get within two boat lengths from the mark. You should also avoid tacking

within two boat lengths of a windward mark if any other boats are near you.

Although the green boat is to leeward and would usually have right of way, the overlapping white boat is entitled to enough room to make a seamanlike rounding of the mark.

- 6. BARGING:** The 'buoy room' rule does not apply at the start line. Do not try to squeeze between a boat to leeward of you and a mark. Note that an official start vessel that marks an end of the start or finish line is considered a mark.

A luffing boat may not pass beyond head to wind if there is another boat there.

A is entitled to sit as high as head to wind to prevent both B and C from going between her and the start buoy. In the absence of A, boat B would be entitled to cut off boat C. All must avoid a collision that could cause damage. If A or B are forced to give room to avoid a collision, they should protest and the infringing boat should do a 720°.

- 7. OVER EARLY:** If any part of your boat or equipment is across the start line when the start signal is made, you must re-start. While returning to the start line to re-start, you must keep clear of any boats that are not

SIMPLIFIED RACING RULES (CONTD)

returning. Often the best approach in a crowd is to let your sails luff or even back wind them and slow down until you can return to the line without fouling anyone.

8. DEFENDING AGAINST OVERTAKING BOATS:

If a boat tries to pass you to windward, you are entitled to defend your wind by luffing up but must do so in such a way as to give the windward boat room to keep clear (see also diagram 4.). A luffing boat may not pass beyond head to wind while the other boat is there.

If a boat tries to pass you to leeward on a reach or run, you must not intentionally impede them by sailing below the course to the next mark.

9. TOUCHING A MARK: If you touch a mark, you may continue to race only after getting out of the way of other boats and sailing a complete 360°.

10. RULE INFRINGEMENT: You are officially racing and therefore bound by the racing rules from the first warning signal of the day until you have cleared the finish line.

If you break a rule, the racing rules and good sportsmanship require that you do a 720° turn. As in item #9, you may continue to race only after immediately getting out of the way of other boats and, in this case, sailing two consecutive complete circles.

If there is a collision between two boats the offending vessel must undertake a 720° turn as soon as it is safe to do so.

Minor fouls are often forgiven, with nothing more than a verbal acknowledgement, however there may be instances where you feel a protest is warranted. If you are fouled and you intend to protest, you must do two things immediately:

- * yell (the actual word) 'Protest!'
- * display a red protest flag if you have one. NOTE: a protest flag is not required on boats that are less than six meters long.

If the offending party does a 720°, you can choose to forget the matter otherwise you need to inform the OOD of your protest at the finish line. When you reach the DBCYA Clubhouse you may attend a hearing that will decide the protest.

AUSTRALIA DAY STERN CHASER RACE

cash prizes / lucky draw prize - \$250 Nautical Supplies Voucher

Get into Australia Day out on the water with the DBCYA Stern Chaser.

Not part of the wet season race series, the Stern Chaser is a fun novelty race where vessels start on staggered time slots determined by their handicap, then chase sterns with the challenge to cross the finish line first.

Then it's back to the clubhouse for live Aussie tunes and prize presentation.

This official Australia Day event is open to all Full members.
