At the DBCYA Clubhouse

AGENDA

1. **Membership Expulsion Appeal**
– **Senior member Ann Marie Moule (member no 3884)**
 - a) The Management Committee to place before the meeting details of the grounds of the expulsion of Anne Marie Moule and the Management Committee's reasons for the expulsion.
 - b) Ann Marie Moule to present her case against expulsion.
 - c) Senior members present to vote by secret ballot whether the expulsion should be confirmed or lifted.

Upon declaration of the voting outcome, with no further business, the SGM shall close.

Notes to the SGM:

The NT Local Court has determined that the March 2020 expulsion of senior member Ann Moule followed correct procedure and was considered neither 'oppressive or unreasonable' – the legal challenge that this case was based on.

The presiding Judge did, however, find that Ann Moule not being afforded opportunity to speak to her defence (online SGM, written statements) constituted insufficient procedural fairness. The Judge noted the Covid restriction interference at the time, so he has called for this SGM to be re-held at the clubhouse in the normal manner to decide the matter once and for all.

In the meantime, awaiting this SGM, Ann Moule's senior membership is re-instated and she is entitled to use the club's facilities and be treated with the same respect and dignity afforded to all members.
