## DELEGATED AUTHORITIES POLICY

**Electronic Banking:** Two online authorisations from approved delegated committee persons.  
The medium used for paying weekly bills and wages.

**Term Deposit deposits and withdrawals:** three authorisations from approved delegated committee persons

**Cheque Signatories:** Two signatories from approved delegated committee persons. Cheques only used for ATM cash reimbursements

Expenses that are duly authorized by the Management Committee as not requiring two signatories or authorisations are:

- a) administration or operation transactions to the value of up to \$1000 by the General Manager in line with the above vested delegated authorities (payable through the DBCYA debit card);
- b) administration or operation transactions to the value to \$250 by Management Committee , Groundsman or Bar Supervisor (payable through petty cash or the secondary DBCYA debit card).

### Reserve Funds

A minimum of \$300,000 cash is to be kept as a safety-net reserve in short-term term deposit. A minimum balance of \$100,000 must be maintained in the cash management accounts for operational requirements. Additional cash funds should be added to short-term term deposits as they accumulate.

### Quotation Procurement Guidelines

Description of Service	Requirements
Repairs and maintenance / special projects: \$1001 and over \$501 - \$1000 Under \$500	two written quotations one written quotation one verbal or written quote/estimate
Provision of all other goods and services: Ongoing: \$200 or more weekly Under \$200 weekly One-off: \$1001 and over \$501 - \$1000 Under \$500	two written quotations one written quotation two written quotations one written quotation one verbal or written quote/estimate

The above guidelines must be adhered to wherever practicably possible, recognizing that emergency repairs or limited skilled professionals/suppliers may negate the ability to follow the above protocols. Where costs cannot be pre-determined (ie crane hire) sound judgement must be used when engaging their services.

Sponsors to be given service provision preference (within reason). It is advisable to re-use specialist tradesmen or technicians if they provide good value and service, to ensure consistency and efficiency of works.
