

## MEMBERS BADGE DRAW - Procedures & Terms

DBCYA operates a free entry lottery promoted to the members as The Badge Draw (The Draw) every Wednesday under the following terms and conditions:

### 1. Draw Particulars

The Draw is conducted every Wednesday evening and announced over the DBCYA PA system by the Promotion Host (the DBCYA Rear Commodore or their appointed delegate). The Draw particulars are displayed on the DBCYA entertainment chalkboard preceding each Draw.

The Draw commences at \$500 and increases \$50 each week that it is not claimed, until it reaches a value of \$1000. The Draw will then remain at this figure each draw until claimed. Upon the Draw not being claimed at \$1000 a second Draw will commence the following week as per the terms of the first Draw, to run concurrently with the first Draw. Both the first and the second Draws will be announced at 7:45pm or as close to as possible.

Should both Draws be unclaimed at \$1000, a third Draw will commence as per the terms of the second Draw, excepting that this Draw may be conducted within the times of 7:45pm and 9pm, with prior advisement of the Draw time required (via the Club entertainment chalkboard and SMS and/or email) if to be conducted at a designated time later than the first and second Draws.

### 3. Process to select the weekly winning Draw number/s

The Draw number/s will be selected randomly through the Club's computerised membership system by the Promotion Host. All eligible financial members shall be included in the Draw number selection.

The Promotion Host shall endeavour to find a willing non-member in attendance to click on the mouse once to generate the winning number. In the absence of a willing non-member, The Promotion Host will select a member to conduct the draw, in the presence of a bar staff as a third witness.

The first number drawn shall be that used for the Draw. If a second or third Draw is also operating, the Promotion Host will supervise a second and third number to be generated as required.

The Promotion Host will record the winning member name/s and member no/s in the Badge Draw register.

The winner's name/s will be displayed on the DBCYA entertainment chalkboard for a week and may be displayed on social media in conjunction with promoting the Club's entertainment.

### 4. Claiming the Draw prize money

Upon completion of the draw the successful Badge Draw winner is to present at the bar and verify their identity with their membership card or photo ID to claim their prize. The winner will receive a cash payout from the bar or can opt to have their winnings deposited by EFT transfer the following Wednesday upon provision of their bank account details. All winners opting for cash must sign the Badge Draw register to confirm receipt of their prize winnings.

### 5. Complaint Process

The Promotion Host's Badge Draw winner decision is final and no correspondence will be entered into.

Members who wish to raise a complaint regarding the Badge Draw procedures or the operation of these procedures, however, are invited to put their concerns in writing to the Management Committee, via the Club Secretary. The Management Committee is required to consider the correspondence at the next scheduled Management Committee meeting and respond within 14 days of that meeting.

### 6. Legality
